

#8 THE WITNESS OF THE STARS

30 PRACTICAL DOCTRINES YOU NEED TO KNOW / DR. RANDY WHITE

THE BIBLICAL BACKGROUND

- The Bible really does give evidence that the *stars* contain a message.
- Genesis 2:19 – Adam names the creatures. **Called** = Hebrew Strongs #7121
- Psalm 147:4 – God calls the names of the stars. **Callesh** = Hebrews Strongs #7121.
- The stars have a purpose: Genesis 1:14, Psalm 8:3
- The Bible is explicit that there is a message in the stars: Psalm 19:1-6.
- The New Testament supports this view: Romans 10:17-18.

JEWISH ART

- On a number of ancient Jewish synagogue floors, there is a Zodiac.
- Other ancient Jewish art depicts a Zodiac also.
- Astrology is forbidden in the Hebrew Scriptures: Is. 47:13-14, Dt. 4:19.
- Why would Jews permit a Zodiac in Jewish art?
