

#10 THE DOCTRINE OF ISRAEL

30 PRACTICAL DOCTRINES YOU NEED TO KNOW | DR. RANDY WHITE

ISRAEL IS THE CHOSEN NATION

- Chosen as the nation through whom God will bless all nations.
 - Genesis 12:2-3 – God’s promise to make a blessed nation and to be a blessing through that nation.
 - Psalm 33:12 –
 - This Psalm shows Israel as the blessed nation.
 - This is a Psalm which is often only half quoted and totally misapplied.
- Chosen as the nation through whom God would teach all nations.
 - Matthew 5:13
- Chosen to be unique and peculiar
 - Deuteronomy 7:6, 14:12, 26:18, etc.
- Chosen as the nation that would be the inheritance of the coming Messiah.
 - Deuteronomy 4:20

ISRAEL IS A PRIVILEGED NATION

- Election is a Biblical theme, but it is a theme about Israel, not about individuals.
 - Isaiah 43:20-21.
 - The Bible uses the phrase “my people” 231 times, mostly about Israel (see 2 Chron. 7:14).
- Election has given the nation many privileges:
 - Romans 3:1-2
 - Deuteronomy 4:7-8

ISRAEL IS THE HATED NATION

- No nation in the history of mankind has suffered more attack than the Jewish nation.
- No nation in the history of the world has survived the level of attack given to it.
 - Hellenism – no ancient Middle Eastern religion survived.
 - The Crusades
 - Inquisition
 - Nazism
 - The United Nations
- The reason the Jewish nation is so routinely attacked is purely satanic.
 - Satan used Antiochus Epiphanes

- Satan used the Roman Catholic Church
- Satan used Adolf Hitler
- Satan is using Islamic ideology and Palestinian Fakery
- Satan is using the churches that support BDS – boycott, divest, sanction

- The only reason the Jewish nation is hated is because it is the chosen nation.

ISRAEL IS A PRESERVED NATION

- God gave the Law to preserve the nation
 - The Law does not lead people to faith
 - – it requires faith in the beginning
 - -- the faith it requires is in God’s grace
 - If the Law led people to Christ
 - -- we would teach the obligations of the Law
 - -- the Jewish people would be converting en masse
 - The reason people teach that the Law leads to Christ is a misunderstanding of Galatians 3:24.
- God has given countless miracles to preserve the nation. One of the greatest is the creation of the modern State of Israel.

ISRAEL AS A MODERN NATION

- The Jewish nation spiritually
 - The Jewish nation is under a temporary spiritual blindness today – Romans 11:25.
 - The period of blindness has been graciously used of God for the salvation of grace – Romans 11:15
 - The spiritual blindness should not be taken as the loss of the nation’s status as the chosen nation – Romans 11:1, 11
- The Jewish nation-state politically
 - The modern nation of Israel was born on May 14, 1948
 - Though this is a definite work of God, it is not the creation of the theocratic restoration of Israel
 - The modern nation of Israel leads the world in science, medicine, technology, water usage, farming, and so much more.

ISRAEL AS THE FUTURE KINGDOM

- Israel will someday be fully physically and spiritually restored – John 6:39
- This will take place when “the fullness of the gentiles” comes (a reference to *time* not *people*) – Romans 11:25
